MEDICATIONS

NeedyMeds

www.needymeds.org

NeedyMeds provides free online access to accurate, comprehensive and up-to-date information about programs that help people afford their medications and healthcare costs. Additionally, they provide a free discount card that anyone can print from their computer and use to discount many drugs. For more information about the Drug Discount Card, go to www.needymeds.org/drugcard/index.htm.

Extra Help

www.socialsecurity.gov/extrahelp

Medicare beneficiaries can qualify for Extra Help with their Medicare prescription drug plan costs. The Extra Help is estimated to be worth about \$4,000 per year. To qualify for the Extra help, a person must be receiving Medicare and have limited resources and income. Do not complete the Extra Help application if you have Medicare and Supplemental Security Income (SSI) or if you have Medicare and Medicaid because you automatically will get the extra help. For more information about Extra Help with Medicare prescription drug plan costs, visit www.socialsecurity.gov/extrahelp or call Social Security at 1-800-772-1213.

RxAssist

<http://rxassist.org/>

RxAssist is a comprehensive directory of Patient Assistance Programs. Patient assistance programs are run by pharmaceutical companies to provide free medications to people who cannot afford to buy their medicine.
