

THRESHOLDS

Youth & Young Adult Services Knowledge Translation

We conduct rigorous program evaluation for quality improvement purposes, as well as, conduct research to develop and test new innovative practices to enhance the lives of the young people with serious mental health needs, and their families. What we learn through these efforts, we share locally and nationally to a variety of stakeholders through different mediums, including:

I. Peer-Reviewed Publications

II. Book Chapters, White Papers, Toolkits & Grey Literature

III. Peer Reviewed Conference Proceedings

IV. Invited Speaking Engagements, Trainings & Webinars

V. Research Project Descriptions

I. Peer Reviewed Journal Publications

IV. Invited Speaking Engagements, Trainings, & Webinars

- 2022 Klodnick, V.V., & LaPelusa, B. (July). The Time for Change is Now: Transforming Youth Mental Health by Integrating Youth Peer Support in Ohio. Ohio Annual Youth Peer Conference (75-minute virtual keynote speech; 100 participants)
- 2022 Klodnick, V.V., & Several Coordinated Specialty Care Providers. (June). Sharing Successes: Celebrating FEP Transformation in the South-Southwest Region. South Southwest MHTTC First Episode Psychosis Conference. (75-minute panel moderator; 200 online; 200 in-person participants)
- 2022 Fagan, M. A., & Klodnick, V. V. (March). Discovery-Oriented Services for Young Adult with Mental Health Needs. Transition Planning Committee, A.E.R.O. Special Education Cooperative. (virtual; 30 participants)
- 2021 Klodnick, V. V., Duke, A., & Caruso, N. (Nov). Building & Retaining an Effective CSC Peer Workforce: The Vision, the Reality, & the Solution. Third National Early Psychosis Conference, American Psychiatric Association. (Virtual Delivery due to COVID-19; 590 participants).
- 2021 Klodnick V. V., Spencer, E., Stevens, L. (June). Improve Your Effectiveness in Engaging & Supporting Young Adults with their Career Goals by Leveraging Individual Placement & Support (IPS) Supported Employment & Education Best-Practices. SAMHSA South-Southwest Mental Health Technology Transfer Knowledge Center (MHTTC). (1.5 day interactive online training experience; 25 participants)
- 2021 Klodnick V. V., Spencer, E., Stevens, L. (June). Successfully Integrating Individual Placement & Support (IPS). Supported Employment & Education Best-Practices for Older Youth & Young Adults in your Community Mental Health Center. SAMHSA South-Southwest Mental Health Technology Transfer Knowledge Center (MHTTC). (Virtual 1-hour webinar; 100 participants; recorded for future training purposes)
- 2021 Klodnick, V. V., & Johnson, R. P. (June). Introducing the Virtual Best-Practice Guidebook. Transitions to Adulthood Center for Research, The University of Massachusetts (Virtual delivery due to COVID-19; 40 participants)
- 2021 Fagan, M. A., Klodnick, V. V., & Spencer, E. (Spring/Summer). Successfully Engaging Young Adults with Serious Mental Health Needs in Individual Placement & Support (IPS) Supported Employment & Education. Tennessee Department of Mental Health & Substance Use Services. (3-part virtual training series; 25 participants).
- 2021 Zeidner, E. (May). Emerging Adulthood, Clinical High Risk for Psychosis, & First Episode Psychosis: Early Intervention Works! Chicago Public School ODLSS Virtual Transition Fair. (148 students, caregivers, educators, transition specialists)
- 2021 Zeidner, E. (April). Emerging Adult Programs Overview for Providers. DuPage County Health Department. (12 staff therapists)
- 2021 Zeidner, E. (March). Coping During COVID. Panel Discussion at College of DuPage. (50 students and educators)
- 2021 Fagan, M. A., Klodnick, V. V., & Spencer, E. (Winter/Spring). Effective Leadership in Youth Residential Care Settings. The Jewish Board of New York. (10-part virtual training & learning collaborative experience; 20 participants).

- 2020 Zeidner, E. (Dec). Emerging Adulthood, Clinical High Risk for Psychosis, & First Episode Psychosis: Early Intervention Works! Counseling Department, Harold Washington College. (50 counseling students/interns)
- 2020 Zeidner, E. (Nov). Emerging Adult Programs Overview for Providers. University of Illinois at Chicago Hospital System (13 psychiatric interns & supervisors)
- 2020 Klodnick, V. V. (Oct). Leveraging Technology & Social Media to build Vocational Identity. Keynote at Wisconsin Annual Individual Placement & Support Supported Employment Conference. (Virtual delivery due to COVID-19; 330 participants).
- 2020 Klodnick, V. V. (Oct). Leveraging Mutuality to Build Strong Working Alliances. Workshop at Wisconsin Annual Individual Placement & Support Supported Employment Conference. (Virtual delivery due to COVID-19; 30 participants).
- 2020 Klodnick, V. V. (Sept). Re-thinking & Boosting Community-Based Multidisciplinary Team Engagement for Young Adults with Serious Mental Health Needs. South-Southwest MHTTC First Episode Psychosis Monthly Mentor Call: <https://mhttcnetwork.org/centers/south-southwest-mhttc/home> (Virtual delivery; 30 participants).
- 2020 Klodnick, V. V., Fagan, M., & Spencer, E. (July). Preparing Young Adult Peer Navigators for Success in Community Mental Health, hosted by UT-Austin & Integral Care. (Virtual delivery; 12 participants)
- 2020 Klodnick, V. V., Bissett, K., Hernandez, E., & Dansforth, J. (Dec 2019 & June 2020). Strengthening the Working Alliance between Young Adult Peer Mentors & their Supervisors, hosted by Massachusetts Department of Mental Health, Boston, MA. (In-person; 80 participants)
- 2020 Zeidner, E. (Sept). Early Psychosis Identification & Next Steps. La Casa Norte. (10 social service staff)
- 2020 Zeidner, E. (Sept.). Emerging Adulthood, Clinical High Risk for Psychosis, & First Episode of Psychosis: Early Intervention Works! Circuit Court of Cook County Restorative Justice Court. (50 caregivers, educators, transition specialists)
- 2020 Zeidner, E. (Sept). Psychosis Signs, Symptoms, & Next Steps. Insight ERC Behavioral Health (12 therapists)
- 2020 Fagan, M.A., & Klodnick, V.V. (August). Serious Mental Illness in Emerging Adulthood: Thresholds Multidisciplinary Approach. AON Staff Training (100 young adult staff)
- 2020 Zeidner, E. (Aug). Overview of Clinical High for Psychosis Identification, Program, & Services. DuPage Pediatrics (8 MD's & support staff)
- 2020 Zeidner, E. (June). Emerging Adulthood, Clinical High Risk for Psychosis, & First Episode of Psychosis: Early Intervention Works! Chicago Public School Office of Diverse Learner Supports & Services (ODLSS) Virtual Transition Fair. (50 caregivers, educators, transition specialists)
- 2019 Klodnick, V. V. (Dec). Invited Retreat Facilitator, UT-Austin Center for Youth Mental Health, hosted by Dell Foundation & the University of Texas Medical School, Austin, TX. (In-person delivery; 25 participants)
- 2019 Klodnick, V. V. (Nov). Re-Conceptualizing & Boosting Community-Based Multidisciplinary Team Engagement for Young Adults with Serious Mental Health Needs. Webinar for UMASS Transitions to Adulthood Center for Research (Virtual delivery; 400 participants)
- 2019 Fagan, M. A., Klodnick, V. V., & Spencer, E. (September). Enhancing IPS Supported Employment for Youth & Young Adults. Two-day training to multiple programs within Tennessee's SAMHSA Healthy Transitions, Coordinated Specialty Care, & Clinical High Risk for Psychosis Initiatives. Nashville, TN. (In-person delivery; 25 participants)
- 2019 Klodnick, V. V., Fagan, M., & Spencer, E. (July). Engaging Young People through Enhanced Evidence-Based Practices & Improved Team Communication & Cohesion. Two-day training to transition-age youth serving teams at the Heart of Texas & Integral Care, Austin, TX. (In-person delivery; 20 participants)

- 2019 Klodnick, V. V., Fagan, M., & Spencer, E. (May). Engaging transition-age youth effectively through leveraging evidence-based practices and building effective partnerships. Two-day training to multiple programs within the Jewish Board of New York. New York, New York. (In-person delivery; 25 participants)
- 2018 Klodnick, V. V., Fagan, M., & Spencer, E. (October). Engaging transition-age youth effectively through leveraging evidence-based practices and building effective partnerships. Two-day training to multiple programs within the Jewish Board of New York. New York, New York. (In-person delivery; 25 participants)
- 2018 Klodnick, V. V., Fagan, M., & Spencer, E. (July). Engaging transition-age youth effectively through leveraging evidence-based practices: Transition to Independence Process, Individual Placement & Support Supported Employment & Education, & Strategic Use of Self. Two-day training to transition-age youth serving teams at the Heart of Texas & Integral Care, Austin, TX. (In-person delivery; 20 participants)
- 2018 Ellison, M., Mullen, M., & Klodnick, V.V. (June). OMG! What is going on with Young Adults? Providing Psychiatric Rehabilitation to Young Adults. Full Day Preconference Training at the Annual Psychiatric Rehabilitation Association Conference. Denver, CO. (In-person delivery; 45 participants)
- 2018 Klodnick, V. V. (June). Effective Supervision for Young Adult Peer Mentors Part 2. One-day training for Supervisors who had completed previous training. The University of Massachusetts Medical School, Transitions to Adulthood Center for Research in partnership with Department of Mental Health SAMHSA-funded STAY Project. (In-person delivery; 22 participants)
- 2018 Klodnick, V. V. (January, March & May). Online Learning Community Facilitator for Massachusetts Department of Mental Health Initiative to train Young Adult Peer Mentor Supervisors. (Virtual delivery; 20 participants)
- 2018 Klodnick, V.V., Fagan, M., & Spencer, E. (February). Transition-Age Youth Best-Practice: Engagement, Vocational Services & Peer Support. 3-day training to SAMHSA-funded “Bridging the Gap” Peer Advocate Program. Jewish Board of New York. New York, New York.
- 2017 Klodnick, V.V. (December). Effective Supervision for Young Adult Peer Mentors. The University of Massachusetts Medical School, Transitions to Adulthood Center for Research in partnership with Department of Mental Health SAMHSA-funded STAY Project.
- 2017 Spencer, E. (November). Individual Placement and Support (IPS) Supported Employment with Emphasis on Young Adults. Department of Rehabilitation Services, Region 2 (6 counties: DuPage, Will McHenry, Kane, Kankakee, Lake).
- 2017 Malina, C. (October). Recognizing and Treating Transition-Age Youth Diagnosed with Serious Mental Health Challenges and First Episode Psychosis, Illinois Association of School Social Workers Conference, Lisle, IL.
- 2017 Delman, J., & Klodnick, V.V. (October). Effectively Employing Young Adult Peer Providers: A Toolkit. Copeland Center Doors to Wellbeing Program. (499 participants; 256 watched online post-live webinar)
- 2017 Spencer, E., & Klodnick, V.V. (October). Adapting IPS for Transition-Age Youth.” Illinois IPS Monthly Statewide Technical Assistance Call (35 IPS teams).
- 2017 Spencer, E. (September). Supported Employment for Individuals living with Mental Illness. NAMI Cook County North Suburban Public Education Programs.
- 2017 Fagan, M. (July). Building the Transition Bridge: The Transition to Independence Process Model and Other Innovative Practices for Young Adults with Mental Health Needs. Texas Behavioral Health Institute. Austin, TX.
- 2017 Klodnick, V.V., Spencer, E., & Delman, J. (July). Engaging Young Adults Diagnosed with Psychiatric Conditions in Supported Employment Programs. Webinar for GAINS Center Learning Collaborative for SAMHSA IPS Expansion Project.
- 2017 Spencer, E., & Virgil, N. (June). Understanding Youth and Striving to Utilize the Best Engagement AND COMMUNICATION Strategies to Ensure Education Success. Annual Wisconsin IPS Conference. Madison, WI.

- 2017 Cicchetti, C., Malina, C., & Kane, R. (June). How Violence Affects the Lives of our Children and Communities. Naomi Ruth Cohen Conference: Raising Resilient Children: Prioritizing Their Mental Health. Chicago, IL.
- 2017 Fagan, M., & Klodnick, V.V. (June). Slowing Psychosis in its Tracks: Understanding the Coordinated Specialty Care Movement to Change the Lives of Young Adults Experiencing First-Episode Psychosis. Haymarket Summer Institute. Elmhurst, IL.
- 2017 Spencer, E., & Mailey, K. (May). Individual Placement and Support (IPS) Supported Employment & the Career Opportunity Readiness Experience (CORE) for Transition-Age Youth. Workshop at Mental Health Transition Center at Cook County Department of Corrections. Chicago, IL.
- 2017 Fagan, M., Sale, T., & Hurford, I. (April). The Impact of First Episode Psychosis. National Council for Community Behavioral Health. Seattle, WA.
- 2017 Spencer, E. (January). Job developing for people with mental health challenges with focus on youth. Chicago Jobs Council's Frontline Focus Training Institute. <http://cjc.net/frontline-focus/>
- 2016 Mittal, V., & Malina, C. (December). Brain-based Research to Promote Awareness and Early Identification of Mental Health Risk Factors. Keynote at Transforming the Future for Our Students. Transition Action Network for Mental Health School Mental Health Symposium. Des Plaines, IL.
- 2016 Fagan, M., Dixon, L., Jones, N., Williams, C. (December). Addressing First Episode Psychosis. The Kennedy Forum. Chicago, IL.
- 2016 Klodnick, V.V., Fagan, M., & Spencer, E. (December). Increasing engagement of transition-age youth thru being young-adult informed; leveraging peer support, and integrating supported employment & education. A Webinar sponsored by a Texas System of Care Grant in conjunction with the University of Texas at Austin Center for Mental Health Excellence.
- 2016 O'Donnell, H., & Spencer, E. (October). Loyola Masters of Urban Affairs and Public Policy (MUAPP) Practitioner Lecture Services. Thresholds Policy & Advocacy & Implementing IPS Supported Employment with Individuals with Serious Mental Health Conditions, including Transition-Age Youth. Loyola University of Chicago, Chicago, IL.
- 2016 Klodnick, V.V. (September) Doing Real-World Program Evaluation in Coordinated Specialty Care. International Consortium on Hallucination Research & Related Symptoms; Chicago, IL.
- 2016 Fagan, M., & Klodnick, V.V. (September) Stopping Psychosis in its Tracks: Understanding the National Coordinated Specialty Care Movement. Inaugural Brookstone Conference; Northwestern University; Chicago, IL.
- 2016 Spencer, E. (June). Hosted 4 visitors from China to learn about Thresholds Implementation of Individual Placement and Support (IPS) Supported Employment and how to adapt IPS for Transition-Age Youth.
- 2016 Spencer, E. (May). Hosted 20 visitors from Singapore to learn about Thresholds Implementation of Individual Placement and Support (IPS) Supported Employment and how to adapt IPS for Transition-Age Youth.
- 2016 Fagan, M. (April). "Bridging the Transition Cliff: Bringing Best Practices with Emerging Adults to Life." Keynote Speech at The Training Network Committee of Chicago Annual Symposium.
- 2016 Spencer, E. (March). NCNW: Participant on Mental Health Panel. Chicago Central Station. Chicago State University Health and Wellness Festival. Chicago, IL.
- 2016 Fagan, M., & Sobel, B. "Building the Transition Bridge for Young Adults in DCFS with Mental Health Needs." Illinois Office of the Public Guardian.
- 2016 Sheldon, G., Dimas, J., Cole, S., & Fagan, M. "Joint Planning Efforts for System of Care across State Agencies." Child Care Association of Illinois Winter Symposium.
- 2016 Klodnick, V.V. (February). "Effective Clinical Supervision for Young Adult Therapeutic Peer Mentors." A two-part Webinar Training Series sponsored by the Massachusetts Department of Mental Health in conjunction

with the Transitions RTC at UMASS Medical School. Accessible at:
<http://www.umassmed.edu/TransitionsRTC/publication/webinars/>

- 2016 Klodnick, V.V., Fagan, M., & Spencer, E. (2016, January). Increasing Engagement of transition-age youth through being young-adult informed; leveraging peer support & integrating Supported Employment & Education. A 3-Day Training sponsored by a Texas System of Care Grant in conjunction with the University of Texas Institute for Excellence in Mental Health.
- 2016 Spencer, E. (January). Hosted 18 visitors from Norway to learn about Thresholds Implementation of Individual Placement and Support (IPS) Supported Employment and how to adapt IPS for Transition-Age Youth.
- 2015 Malina, C., & Klodnick, V.V. (July) Thresholds Homeless Youth & Young Adult Services. Homeless Action Committee Resource Fair & Informational for Service Providers, Persons with Lived Experience, Community Stakeholders, Healthcare Providers, & Federal/State/City/Local Partners. Madden Mental Health Center, Maywood, IL.
- 2015 Fagan, M. "Bridging the Transition Cliff: Bringing Best Practices with Emerging Adults to Life." Workshop at the Georgia System of Care Conference.
- 2015 Ellison, M., Bond, G., & Klodnick, V.V. "Adapting IPS for Transition-Age Youth: The Thresholds Study," Webinar sponsored by the Transitions RTC. Accessible at:
<http://www.umassmed.edu/TransitionsRTC/publication/webinars/>
- 2015 Viruet J., & Klodnick, V.V. (July) "Engaging Transition Age Youth in Community Mental Health Services, including First Episode Psychosis Coordinated Specialty Care" - Wisconsin Individual Placement & Support Model of Supported Employment Annual Meeting.
- 2014 Fagan, M., Melton, R., Jivanjee, P., & Campbell, F. "System Integration Strategies for Service Providers Working with Young Adults with Mental Health Issues." National Webinar hosted by Portland State Pathways RTC.
- 2014 Fagan, M. "Bridging the Transition Cliff: Best Practices in Assisting Young Adults with Mental Health Needs As They Transition To Adulthood." National Webinar for Association of Children's Residential & Community Services.
- 2014 Fagan, M. (August). Bridging the Transition Cliff for Emerging Adults: Keynote Address for Texas Network on Youth Service Conference, Austin, TX
- 2013 Spencer, E., & Kerness, K. (October). Exploring the role of an employment specialist and education coordinator in addressing the challenges faced by transition aged youth with disabilities. College Changes Everything Conference. Tinley Park, IL.
- 2013 SAMHSA & Westat YouTube Videos on Employment Support for Youth & Young Adults.

- 2012 Spencer, E., Kerness, K., & Nunez, J. (Oct). Empowering Transition-Aged Youth through Employment and Education. Annual Illinois Statewide Transition Conference. St. Charles, IL.
- 2012 Spencer, E., & Kerness, K. (Oct). Exploring the role for an employment specialist and education coordinator in addressing the challenges faced by youth with disabilities. Annual Conference on Best Practices in Nonpublic Special Education Programs. Oak Lawn, IL.
- 2012 Fagan, M., & Vorhies, V. Interviewed for National Public Radio, WBEZ, The Tricky Transition To Adulthood, by Jennifer Brandel. <http://www.wbez.org/story/tricky-transition-adulthood-93294>.
- 2008 Clark, H.B., & Fagan, M. Supporting Self-Discovery in Transition Aged Youth. U.S. Psychiatric Rehabilitation Association (USPRA), Orlando, FL.

2008 Fagan, M. Supporting Youth in Transition with Mental Health Needs: US Senate, House of Representatives, & Staff, Capitol Building, Washington DC.

V. Thresholds Youth & Young Adult Services Research Projects

- 2022-2023 **Examining the Young Adult Peer Mentor Workforce in Massachusetts: A Mixed-Methods Study**
PI: Vanessa Klodnick, PhD, LCSW, Thresholds & UT-Austin; Co-I: Ali Gold, BS, CPS, Massachusetts Department of Mental Health.
Description: Conducting a state-wide survey of YAPMs and completing interviews with 25 YAPMs to inform future state sponsored training and professional development efforts.
- 2021-2024 **Developing the PLUS Peer Support Intervention & Training for Early Psychosis Programs**
PI: Janet Walker, PhD, Portland State University; Co-I: Vanessa Klodnick, PhD, LCSW, Thresholds & UT-Austin; funded by NIDILRR (90IFRE0054-01-00)
Description: Develop and evaluate a theory of practice for peer support delivery within first-episode psychosis coordinated specialists via focus groups, training content and activity development, and training evaluation with peer support providers from across the U.S.
- 2020-2024 **Advancing the Early Psychosis Intervention Network in Texas (EPINET-TX)**
PI: Molly Lopez, PhD, UT-Austin, Co-I's Vanessa Klodnick, PhD, LCSW, Thresholds & UT-Austin, Deborah Cohen, PhD, MSW, UT-Austin, & Neely Myers, PhD, SMU; funded by NIH (1R01MH120599-01A1)
Description: Engaging 16-sites across state of Texas to utilize measurement-based care system and be a part of a healthcare learning network, and also develop and test a peer support specialist delivered substance use intervention for individuals with first-episode psychosis.
- 2019-2023 **Career & Occupational Readiness Experience (CORE): An Enhancement to the Individual Placement & Support (IPS) Model of Supported Employment for Transition-Age Youth with Psychiatric Disabilities**
PI: Vanessa V. Klodnick, PhD, LCSW; funded by NIDILRR #90IFRE0032
Description: Develop manual, training materials and evaluate pilot data for 3-year implementation of internship program for young adults with serious mental health conditions enrolled in multidisciplinary care settings.
- 2019-current **Implementation & Evaluation of an Online Cognitive Training Program for Individuals at Clinical High Risk for Psychosis or who have first-Episode Psychosis**
PI: Rebecca Johnson, LCPC, MA; Co-I: Vanessa Klodnick, PhD, LCSW, Thresholds
Description: Partnered with cognition expert in clinical high risk for psychosis at Rush University (Christine Hooker, PhD) to take an intervention from her lab, implement it at Thresholds, and evaluate its feasibility and impact on young people enrolled in multidisciplinary care.
- 2017-current **Implementation & Evaluation of Coordinated Specialty Care in Community-based Setting**
Directors: Marc Fagan, PsyD & Candy Malina, LCSW, Thresholds; Evaluator Vanessa Klodnick, PhD, LCSW, Thresholds & UT-Austin; funded by Illinois Department of Mental Health annually
Description: Implementation, evaluation and quality improvement of first-episode multidisciplinary evidence-based care model at Thresholds as part of the Illinois FIRST.IL coordinated specialty care initiative.

- 2018-2022 **Implementation & Evaluation of a Stepped Care Model for Clinical High Risk for Psychosis**
 Project Director: Lisa Betz; Site Lead: Candy Malina, LCSW, Thresholds; Evaluator: Vanessa Klodnick, PhD, LCSW; funded by SAMHSA #SM081199-01
 Description: Development, implementation and evaluation of stepped care model for clinical high risk for psychosis in a community-based setting.
- 2018 **Near-Age Peer Mentoring: A Pilot Study**
 PI: Vanessa V. Klodnick, PhD, LCSW; Project Lead: E-Shawn Spencer
 Description: Evaluating the feasibility of Recruiting, training, and supporting 5 young adults to mentor 10 young adults in residential settings around work, school, and career development.
- 2017-2018 **Developing a Quality Improvement Process for Youth & Young Adult Services at Thresholds**
 PI: Vanessa V. Klodnick, PhD, LCSW
 Description: Development and refinement of a collaboration between quality, evaluation, and research staff to implement best-practices in quality improvement using data to influence program systems and practices.
- 2016-2018 **Designing & Implementing an Evaluation of Coordinated Specialty Care for a Recent Onset of Psychosis**
 PI: Vanessa V. Klodnick, PhD, LCSW
 Description: Development and refinement of key performance indicators, data collection and analysis, and quality improvement efforts within the Thresholds MindStrong Program. Lessons learned have been shared with NIH.
- 2017-2018 **Fidelity Scale Comparison: Transition-to-Independence Process & Coordinated Specialty Care for a Recent Onset of Psychosis**
 PI: Vanessa V. Klodnick, PhD, LCSW; Co-I: Marc Fagan, PsyD
 Description: Systematic review and analysis of concordance/discordance between two fidelity scales that represent two of the most nationally disseminated approaches to transition-age youth multidisciplinary mental health treatment.
- 2016-2018 **Career & Occupation Readiness Experience (CORE) Pilot Study**
 PIs: Lisa Razzano, PhD, CPRP; Vanessa Vorhies Klodnick, PhD, LCSW, Thresholds
 Description: A pilot study of the feasibility and impact of a manualized vocational intervention (skills-based workshops with internship component) with young adults with serious mental health challenges.
- 2015-2017 **Creating a Multidimensional Model of Engagement for Young Adult with Psychiatric Disabilities in Adult System Team-based Community Outreach and Support Services**
 PI: Vanessa V. Klodnick, PhD, LCSW, Thresholds & Faculty Sponsor Lisa Razzano, PhD, University of Illinois at Chicago School of Medicine, Department of Psychiatry; Funding: NIDILRR Mary E. Switzer Research Fellowship, #90SF0008-01-00
 Description: A mixed-methods study to examine service utilization patterns in outreach & community support team designed for 18-26 year olds in order to develop a multidimensional definition of engagement & tool to measure engagement.
- 2013-2017 **RISE Transitional Living Program for Homeless Youth Program Evaluation**
 PI: Vanesa V. Klodnick, PhD, LCSW, Thresholds; Funded by: U.S. DHHS, Administration on Children, Youth & Families, #HHS-2012-ACF-ACYF-CX-0289

Project Description: A mixed-methods longitudinal program evaluation of the RISE TLP.

- 2015-2016 **Improving Transition to Independence Process (TIP) Model Fidelity Assessment Tools**
PI's: Vanessa V. Klodnick, PhD, LCSW, Thresholds & Hewitt B. Clark, Ph.D., Stars Behavioral Health & University of South Florida
Description: Created online fidelity tool to assess transitions solutions review process from staff perspective; piloted this tool at Thresholds & evaluating tool across 6 agencies.
- 2015 **Decision Support for Smoking Cessation in Young Adults with Severe Mental Illness**
PI: Mary Brunette, PhD, Dartmouth College, Funded by NIH #5R21CA158863-02
Description: Project examined impact of motivational electronic decision support system (EDSS) with young adults diagnosed with serious mental health challenges to increase their likelihood in accessing smoking cessation treatments.
- 2012-2015 **Exploring Experiences and Perceptions of a Successful Transition to Adulthood among Young People Aging Out of Foster Care from Institutional Settings with Serious Mental Health Conditions.**
PI: Vanessa V. Klodnick, PhD, The University of Chicago; Faculty Sponsor Gina Samuels, PhD, The University of Chicago School of Social Service Administration; Funded by: Fahs Beck Fund for Research & Experimentation Doctoral Dissertation Grant
Description: A longitudinal grounded theory study of young people aging out of child welfare with mental health conditions.
- 2011-2014 **Adapting the Individual Placement & Support Model of Supported Employment for Transition Age Youth with Serious Mental Health Conditions**
PIs: Maryann Davis, PhD, & Marsha Ellison, PhD, The Learning & Working during the Transition to Adulthood Rehabilitation Research & Training Center (Transitions RTC) at The University of Massachusetts Medical School; Funded by: NIDRR #H133B090018
Description: A pilot study assessing the feasibility of add-ons made to the IPS-model of supported employment with 18-21 year olds diagnosed with serious mental health in residential care.
- 2007-2012 **Adapting Dialectical Behavior Therapy for Transition Age Youth Diagnosed with Severe Mental Illness**
PIs: Kristin Davis, PhD & Sandra Wilkniss, PhD, Thresholds Institute
Description: A longitudinal mixed-method panel study evaluating the feasibility and impact of an adapted version of DBT for 18-21 year olds in Thresholds youth programs.
- 2009-2010 **Transition Age Youth with Severe Mental Illness: Post-Emancipation Study**
PI: Vanessa Vorhies, MSSW, Thresholds Institute & The University of Chicago, School of Social Service Administration; Co-Is: Kristin Davis, PhD, & Marc Fagan, Psy.D, Thresholds
Description: A qualitative study that built on previous qualitative research of youth aging out of care from Thresholds Youth residential and TLP programs to examine the life experiences, needs, and barriers to adult community mental health services post-emancipation.
- 2007-2009 **Improving Outcomes for Pregnant & Parenting Foster Care Youth with Severe Mental Illness: An Evaluation of a Transitional Living Program**
PIs: Kristin Davis, PhD, & Sandra Wilkniss, PhD, Thresholds Institute
Description: A mixed-methods panel study of the impact of the Thresholds Mothers Project services on a sample of 25 young women in the program for at least 12 months.

2006-2008 **Evaluation of the Transition to Independence Process (TIP) Model across Residential and Transitional Living Program Settings.**

PIs: Kristin Davis, PhD, & Hewitt B. Clark, PhD

Description: A qualitative panel study assessing how community-based and program-based residential settings trained in the TIP model differ in supporting young adults diagnosed with serious mental health challenges transition to independent living after aging out of the child welfare system.
